Our Founders

The Osmania Graduates' Association consisting of a group of dedicated alumni of Osmania University was formed in the year 1932. This parent body was established with a view to gather all the Osmania Graduates on one platform with the specific objective of promoting higher education in the erstwhile districts of Hyderabad state, (Present Telangana)

The Osmania Graduates' Association then formed the Economic Committee in 1938 with the prime intention to promote industrial and economic sectors in the state and in turn the Economic Committee formed the Exhibition Society in the year 1938 to promote small artisans in the region, by starting a small fair 'Numaish' that attained the status of Annual Industrial Exhibition in 1949.

A completely non-profit organization, the Exhibition Society encouraged and supported by Osmania Graduates' Association and the Economic Committee has been channelizing the income generated from the Exhibition to extend financial assistance to 18 educational institutions which impart quality education. The Exhibition Society along with the Osmania Graduates' Association and the Economic Committee has emerged as a pioneering organization in the country serving the cause of education in general and Women's education in particular.

I congratulate you for considering this college as a right place for you/your child to pursue higher education. Every college has its own legacy, tradition and an identity. In this institution, we insist on 'Humility' along with Education and thus arises the motto of this institution, 'Vidya Vinayena Shobhate' which means 'Humility adds Luster to Education', Education that builds the character and moulds the personality of the student.

We, at 'Vanita' believe in the holistic development of the students, where apart from academics, we include various other activities like Sports and Games, NCC, NSS, Sangeet Vanita, Cultural and Literary activities, Short Term Courses and create a positive, inspiring, challenging and stimulating atmosphere, thereby paving a path to reach the goal of excellence.

'Educate, Empower and liberate' is the mission of our college and we focus on education with the help of highly qualified and committed faculty members who channelize the overt and covert talent of students and help them to carve out an identity for themselves with an independent mindset.

Today, in this complex world, a student has to be equipped in a wide spectrum of activities. The institution with its 'Vision' of 'Training Women for a Challenging Future through Value Based Education', on the one hand, imbibes and nurtures 'Values' through various extension lectures and personality development activities and on the other, provides perfect training in the E-world and E-resources.

A word of hope to all the distant aspirants from neighboring districts and states, we have a hostel attached to the college, where you get a feel of being 'at home' with the facilities/amenities provided by us.
